## Facts

SadDoLLs exist since the summer of 2006 as a group of friends gathered together to have fun. Soon after a live show members of SadDoLLs realized that it was more than fun and therefore recorded the demo version of the song "Hopes". During 2007 and after serious line-up changes, SadDoLLs recorded the first demo EP "Dead in the Dollhouse" In 2008, SadDoLLs recorded a demo version of the song "Life Equals Zero" which made obvious the new music style of the band. With many elements of different styles such as Gothic, Metal, Rock and Electro the band creates a new sound. Dark melodies full of guitar riffs, hard drumming, modern synths and tuneful bass along with low male vocals and some brutal vocals here and there are the basic ingredients for a delicious debut album. The band has performed in numerous venues in Athens, collaborating with several remarkable bands. Among the live shows of SadDoLLs lies the great performance as support act for the German Gothic Rockers Lacrimas Profundere on April 2008 which was hailed by the media. On October 17, 2009 SadDoLLs opened the show of Paradise Lost, in Gagarin 205, Athens. SadDoLLs signed a record deal with Emotion Art Music Ltd. in 2009 and the album was released in Greece and Cyprus on October 16, 2009 and on November 6, 2009 worldwide.
