## Facts

After a large number of appearances in Greece and abroad, performing with bands such as Epica, Firewind, Rage, Orphaned Land, Katatonia, The Haunted and many more at numerous Festivals, Bare Infinity finally released its debut album "Always Forever". This album has been hailed by the press as one of most promising hellenic female fronted metal acts. Bare Infinity exist since 2003 by Tomas and Christiana; firstly as a simple project. However, their growing popularity created the need for a steady lineup. Soon after the band's appearance supporting Katatonia at the International Gothic convention in Italy (Bologna), representing Greece, Bare Infinity had no other choice but to part ways with Christiana. After months of auditioning Angel, a true angel, joined the band. Emotion Art Music Ltd and Bare Infinity joined forces in 2008 and "Always Forever" is the result of this powerful cooperation. The album was released all over Greece and Cyprus on April 2009.
